## Decorative Towels

### Supplies

- Dishtowel approx. 18" x 28"
- Fat quarter
- Scrap of thin batting or flannel
- One button
- Template (attached)

### Steps

1. Cut dishtowel in half resulting in two pieces that measure 14" x 18".
2. Pleat or gather the raw 18" edge to 6.25" across. Stitch in place.
3. Using template (download project sheet to print), cut two pieces from the fat quarter and one from the batting.
4. Lay fabric pieces right sides together and top with the piece of batting. Pin together.
5. Stitch around the fabric/batting piece using a quarter inch seam allowance starting at point A (refer to the template) to point B.
6. Clip corners, turn right sides out, and press.
7. Turn under a 1" hem along the open bottom and press.
8. Insert the pleated or gathered raw edge of the towel 1" into the open end of the fabric/batting piece and stitch in place with two rows of stitching.
9. Center the button on the pointed end of the flap (point C) and mark for a buttonhole. Make buttonhole.
10. Fold flap down and mark where to attach the button. Sew the button on.
